

COVID-19 Pre-Screening Consultation Form Template

We are committed to providing a safe environment for our clients and have adopted a strict COVID-19 Infection Prevention and Control policy. As part of this policy we require all clients to complete the following pre-screening COVID-19 questionnaire.

Have you tested positive for COVID-19 in the last 14 days or are you awaiting for a COVID-19 test result?

YES NO

Have you recently experienced in the last 14 days any of the following symptoms of coronavirus (COVID-19):

YES NO A new continuous cough

YES NO A high temperature (more than 37.8C)

YES NO A loss or, or change in, normal sense of taste and smell (anosmia)

Has anyone you live with or in close contact with, experienced any of the symptoms above, been tested positive for COVID-19 in the last 14 days, or is awaiting the results of a COVID-19 test?

OR been contacted by any Track & Trace programme in the last 14 days & asked to self isolate?

YES NO

If the answer is yes to any of the questions above, you must cancel your appointment and follow Government guidance on self-isolation.

I confirm that I AM NOT in the clinically extremely vulnerable category and therefore advised to shield at home by the Government

YES NO

I confirm that I have not returned from abroad in the last 14 days

YES NO

I confirm I will let Cocoon know if I become ill with suspected Covid19 within 14 days of my appointment OR I am asked to or decide to self-isolate due to possible Covid 19 exposure within 14 days after my appointment

NOTE: We have worked hard to put into place some new safety regulations to make your visit to our salon as safe as it can possibly can be. Please read the relevant signage.

However, we must make you aware that there is a risk of exposure to COVID-19 which exists in any public place where other members of the public are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death.

By visiting Cocoon, you accept that you do so at your own risk and that the salon cannot be held responsible for the potential exposure to and infection by COVID-19.
